

WORLD TAEKWANJETSU MARTIAL ARTS FEDERATION

COMPETITION REGULATIONS OF W.T.A.MJ.M.F

1. REACH OF VALIDITY

W.T.A.J.M.F leded championships will be leded following the technical and organisational rules of this competition regulations. In case of deviations the promoter/organiser has to mention in the announcement.

2. EXCLUSION OF LIABILITY

The participation in W.T.AJ.M.F championships happens exclusive on the own risk. The promoter/organiser won't take upon liability in case of injuries or damage to property.

3. COMPETITION EVENTS

The champion ship will be leded in the events free fighting“ .

4. ANNOUNCEMENT

The announcement has to include at least:

- Date of the announcement
- Name of the promoter
- Name of the organiser
- Sort of the event
- Date and place of the event
- Begin and end of the balance
- Begin of competition
- Participants (age/W.T.A.J.M.F members)
- Sort of competition
- Categories
- Degrees/grade
- Class of weight
- Quantity of the fighting areas

- **Reference to the competition regulations**
- **Prizes**
- **Duties (amount/date and sort of payment / supposition of restitution in case of no participation)**
- **End for registration**
- **Address for registration**

In addition to this should be included:

- **List of entries (participants/referees/coaches)**
- **Form description of the uniform clothing**
- **Form explanation of agreement**
- **Route**
- **Overnight accommodation (if necessary)**

5. PARTICIPANTS

To participate in an W.T.A.J.M.F competition it is unavoidable to be a regular member of W.T.A.J.M.F. The proof results with the W.T.A.J.M.F passport including the valid annual ticket. In “open competitions” different regulations can be made. Minors have to present a written declaration of assent of one parent.

6. COACHES

A coach has to meet following requirements:

- full legal age
- professional qualification
- proof of W.T.A.J.M.F referee licence or coach licence
- at open competitions proof of referee licence of the respective federation

7. REFEREES

A referee has to meet following requirements:

- full legal age
- professional qualification
- proof of the legal W.T.A.J.M.F referee licence adequate to the competition
- at open competitions it is not allowed to make different regulations
- the available referees have to be mentioned with the registration

8. EXCLUSION OF PARTICIPATION

It is impossible for referees to be an active fighter. If there is no practical operation as a referee in the events “forms” or “free fight” a participation is possible. Further regulations have to be mentioned in the announcement. Beyond it an exclusion results with the obstruction of active fighters, referees and coaches for the competitions of W.T.A.J.M.F.

Fighters with the right licence and national representatives can function as coaches, if there are not enough not participating people.

9. TECHNICAL COMMITTEE

The W.T.A.J.M.F-International forms a technical committee, which consists of the technical director as well as 2 further A-referees. The committee decides by majority votes about

questions of interpretation in this competition rules, the graduation to become A-referee as well as about the employment of referees on World Championships. On these competitions the committee has the function of the main referee.

The technical director leads the committee and manages the body of referees including the list of A-referees. In absence of other members of the committee he represents the committee.**II REFEREE REGULATION**

REFEREE LICENCES

C = referee with the graduation beginning black belt

B = national referee with the graduation beginning brown belt

A = international referee with the graduation beginning black belt

REACH OF ACTION

D-referees can be appointed from 18 years to the new blood-, club- or school-competitions or comparable competitions as side-judge or form referees. From 20 years, they can be appointed with these competitions also as fight-leaders.

C-referees can be appointed from 18 years to the new blood-, club- or school-competitions or comparable competitions as side-judge or form referees. Beyond this from 22 years, they can be appointed with these competitions as fight-leaders and main-referees.

B-referees can be appointed from 22 years with competitions on state or national level also as fight-leaders and form-referees.

A-referees can be appointed from 22 years with competitions beginning state level also as main-referees.

The nomination of the referees for competitions beginning national level takes place through the national main-referee, the technical committee of the W.T.A.J.M.F decides about the employment on World Championships.

ACQUISITION OF REFEREE LICENCES

E-REFEREE licences will be given after the participation at 2 referee-courses (at least one with the topic free-fight).

D/C-licences will be given after the participation at 2 referee-courses (at least one with the topic free-fight and one with the topic forms).

B-licences are given after prior acquisition of the C licence with regular participation at referee-courses and with adequate practical performance with competitions. The valuation and the conferment of licences takes place through the national main-referee.

A-licences are given after previous acquisition of the B licence with regular participation at referee-courses and with regular participation as well as adequate performance at competitions. The valuation takes place through the technical committee of the W.T.A.J.M.F-International. The licence-conferment takes place through the technical director of the W.T.A.J.M.F-International after previous proposition through the national main-referee and the confirmation of the capability with an international competition

VALIDITY OF REFEREE LICENCES

The conferment of an licence and registration is possible only with the W.T.A.J.M.F-passport and valid annual ticket.

Without valid annual ticket all licences immediately decline and the registration has to be deleted. Referees therefore have to prove until at the latest to the 31.01. of every year their membership through a valid annual ticket.

The validity of the referee licence must be confirmed by the participation at 2 referee-courses within the calendar year. A referee licence can also be confirmed through the participation in a referee-course and the participation in two competitions on at least national level through the nomination through the national main-referee.

Candidates and coaches confirm their licence through the participation at a referee-course with the topic free fight.

A-referees have to take part in an international introduction every three years with a member of the technical committee during World Championship. The participation has to be reported to the technical director. In case of non-participation it comes to a re-gradation.

RE-GRADATION OF REFEREE-LICENCES

A referee who has not confirmed his referee-license within a calendar year will be re-graded. C/D-referee-licences and candidate/coach licences will lose their validity. If somebody has not confirmed his referee-license or his candidate/coach licence within two calendar yeas will be deactivated and his registration will be deleted.

Re-gradations of A-referees have to be reported to the technical director of the W.T.A.J.M.F- by the main referee of the corresponding country.

1. REFEREES SCALE OF CHARGES

The scale of charges depends on the respective national regulations.

2. REFEREE REMUNERATION

The remuneration for competitions depends on the national regulations. The remuneration for competitions OF TAEKWANJETSU will be fixed W.T.A.J.M.F.

Referees with a B-licence are not entitled for remuneration.

3. REFEREE CLOTHING

At competitions beginning state level the referee-clothing is mandatory provided.

The referee-clothing consists of:

- black pants
- white shirt/blouse
- W.T.A.J.M.F necktie (DARK BLUE)
- Dark jacket with W.T.A.J.M.F-referee emblem
- sport white shoes

4. LEGAL PROTECTION

At every competition referees are enjoying legal protection through W.T.A.J.M.F. Each organising W.T.A.J.M.F-country has to take out a legal costs insurance.

5. DISCIPLINARY ACTION/MEASURES

If there are violations of referees and coaches against the

competition regulations especially in the sense of the DO unworthy behaviour the competition-management as well as the main-referee have to intervene.

The relevant referee/coach has to be excluded from the competition and has to leave the gymnasium The situation has to be reported to the national main-referee. He adjudicates together with the responsible discipline-president and a representative of the executive of WTAJMF about further measures. If necessary, at representative of the nationally arbitration has to be consulted.

If a referee is doing an insufficient performance during a competition, the competition-management and/or the national main-referee have to induce the redemption of the referee. The situation has to be reported to the national main-referee. The national main-referee adjudicates about further measures.

Outstanding positive performances beginning at competitions on state level have to be reported to the national main-referee by the competition-management and/or the main-referee.

REGULATION FREE FIGHT

1. JUDGES COMPOSITION

The judges consists at least of:

First term 2 rounds x 1.30 sec x 1 minuets rest

Final term 3 rounds x 2 minuets x 1 minuets rest

Cadets (6 – 14 years old)

First term (2 rounds x 1 minuets)

Final term (3 rounds x 1 minuets)

PROTECTION-EQUIPMENT/SECURITY-CONDITIONS:

For the participation at the free fight the following equipment is unavoidable

a departure by these regulations is impossible.

Abdomen-protection-for-female-and-male-participants

- The abdomen-protection has to be carried under the clothing.

Foot-protection.

- The protection has to cover the top of the foot, including the toes, until to the ankle.
- The toenails have to be kept short.

Hand-protection

- The protection has to have the weight of 4 OUNCESS for each weight-class
- Hand and foot-protection have to consist out of elastic and padded material, neither including hard pieces like metal, hard-plastic, zippers, buttons nor being tied up with strings

In-addition,-following-protection-equipment-is-admitted:

- Shin-protection-under-the-clothing
- Breast-protection-for-ladies-under-the-clothing
- Gum-shield
- Head-protection

For shin-, breast-, and head-protection the same material regulation is valid as for the material-of-hand-and-foot-protection

- The-main-referee-decides-the-participation-at-the-competition
- To-wear-any-sort-of-jewellery-is-prohibited
- To-wear-glasses-is-prohibited
- To-wear-scarfs-or-any-sort-of-loose-clothing-is-prohibited

CLOTHING REGULATION FOR PARTICIPANTS AND COACHES:

The clothing of the participants have to correspond with the taekwanjitsu mentioned in the regulation of the discipline-president.

The outer garments have to show at least the federation-logo (right side). In addition to this a club-/school logo can be shown (left side).

At open competitions the uniform clothing has to be described in form and colour in the registration. It is not allowed to roll up the clothing.

The participation is just allowed in uniform, registered and formal clothing.

The clothing of the coaches has to be clearly different to the clothing of referees and participants. Beginning national competition level the armlet also has to show the national colours and the federation-logo.

FUNCTION/BEHAVIOUR OF THE COACH

The coach has to be outside of the safe distance to the fight-area.

The coach has to sit down on a chair/box.

The coach supports his participant with:

- Help to put on the protection-equipment
- Undertone instructions during the fight
- Watching his participant keeping the rules
- Enter a protest to the fight-leader in case of an irregularity of the judges
- Giving up the fight with throwing a white towel
- The coach is subject of the competition regulation but especially the rules .

In case of violations against the competition regulation an admonition will be entered by the fight-leader.

In case of renewed violation the main-referee has to be asked.

Then the main-referee has to:

- Stop the fight
- Send the coach out of the gymnasium
- Report the situation to the national-main-referee

The national-main-referee adjudicates with at representative of the executive, the responsible discipline-president and, if necessary, a representative of the arbitration about further measures.

With violations additional against the rules , like for example contempt of the opponent and/or of the judges, it has to be proceed without prior admonition of the fight-leader and main-referee like mentioned above.

INJURIES

In case of injuries the fight immediately has to be interrupted of the fight-leader. The uninjured participant has to stay outside of the fight-area accompanied by his coach with his back to the fight-area.

The main referee calls the ambulance or the doctor if necessary. For the treatment, at first the fight time is available, after ending of the fight time the fight is to be stopped.

The main referee has to decide about the continuation of the fight after talking to the ambulance. In case of a stop in cause of injuries the fight-leader has to rate as follows:

Injury without outside fault as well as own fault

- Opponent will be appointed to winner
Injury through culpable action through the opponent
- Opponent will be disqualified
- The casualty will be appointed to winner
- If it is impossible for the casualty to continuing the participation
the opponent has to be excluded of the competition

GIVING UP

Only the participant or the coach can give up a fight. The main referee has to appoint the opponent to winner.

PROTEST

A protest only can be entered by the concerned coach with the main referee to the main-referee. The protest only can result in case of a infringement of the judges, not concerning decisions of facts. If necessary the fight has to be interrupted immediately and the protest has to be entered by the concerning coach to the main-referee in the presence of the fight-leader. Afterwards the main-referee decides about the protest and if necessary about further measures. Another protest against this decision-or-the-pronounced-measures-is-not-allowed.

All the protest has to be written on a form and has directly to be paid with a deposit of \$ 20,00. If the protest is positively accepted

the deposit will be paid back directly; if the protest is negatively to be answered the deposit will be going to the book-keeper of the WTAJMF-INTERNATIONAL by international fights, otherwise to the book-keeper of the WTAJMF national.

VALUATION CRITERIONS

The free-fight competitions will be lead in taekwanjetsu

SEMICONTACT

The implementation of a technique in the Semi contact defines as follows:

- The intensity of the technique may not have an injury as consequence.
- The control of the technique through the fighter has to be guaranteed in the way, that the contact with his opponent is limited on the upholstery of the protection-equipment and further beating being left undone.

PERMITTED TECHNIQUE/PERFORMANCE

Foot-techniques:

All defined foot-techniques are allowed to become applied, like onward-, sideways-, circle- and Hook-pushes. In addition to this foot-pushes from outside, but the balance of the opponent must be gone in order to get a positive valuation.

- The starting-place is noncommittal

Age fighters:

Youth Children in the age until including 6-14 years

Junior Teenager in the age until including 14-17 years

Senior Teenagers and adults from 17-34 years

COMPETITION MODE

The winner is who has got the highest total-score .

Age fighters

Youth children in the age until including 6 – 14 years

Junior teenager in the age until including 14 – 17 years

Senior teenager in the age until including 17 above

CLOTHING REGULATIONS

The suit has to agree with TAEKWANJETSU, has to be clean and correct. Changes like for example rolling up arms or legs or similar, is not allowed. The hands and feet are not allowed to be covered. Carrying jewellery or similar is not allowed.

COMPETITION PERFORMANCE

Single competition:

The fight begins with the fighter standing on the entrance-line after the call. 1 minute after the 3rd call the not beginning fighters will be disqualified. On the entrance-line, the fighter adjusts his suit and greets the judges before he enters the fight-area. On the fight-area the fighter greets the judges again and introduces himself and his form adequate to TAEKWANJETSU MARTIAL ARTS style. After introducing the fighter goes independently into the starting-point and begins with the for form.

VALUATION

The valuation follows the valuation-criterions and the valuation-

formula. The general impression of the form is crucial. The form should show the character of a fight clearly. The etiquette is the outstanding criterion because it is expression of the inside and outside attitude of the W.T.A.J.M.F-fighter.

VALUATION CRITERIONS

- Etiquette
- Expression
- Technique
- Movement
- Dynamics
- Smooth
- Strength

NOT VALUATED CRITERIONS

- Diagram
- Changes in the course of a traditional form
- Artistic

DEFINITION OF VALUATION CRITERIONS

Technique:

Precision, accuracy in stand, respiration and line of vision while standing, defence and attack must be shown clearly

Movement:

Precision in the coordination and the course of a movement, clear and plain implementation

Dynamics:

kinetic (through strength-effect moving) and static (through strength-conditions recumbent) energy in the interplay of course of movement

Smooth:

Rhythmic, harmonic transition of a movement or a movement-complex to the other. Harmonic, uniform **run**.

Strength:

Static and dynamic muscle-tension, size and speed of the muscle-contraction

Expression:

Determination., credibility, facial expression, individuality, charisma

Etiquette:

Appearance, suit, intonation, discipline, athletic

PROTEST

A protest only can be entered the coach with the fight-leader to the main-referee. The protest only can take place in case of an infringement through the judges. The protest has to be entered directly. The main-referee afterwards decides about the protest and if necessary about further measures. Another protest against this decision as well as against further measures is not allowed.

All the protest has to be written on a form and has directly to be paid with a deposit of JD 15,00. If the protest is positively accepted the deposit will be paid back directly. If the protest is negatively to be answered the deposit will be going to the book-keeper of the W.T.A.J.M.F by international fights, otherwise to the book-keeper of the W.T.A.J.M.F national federation.
